Smart Pro Plus
SPP92TB 2"
SPP93TB 3"

The SmartPro Billing Machine by NGX Technologies is a modern, efficient, and user-friendly solution designed to simplify your business operations. With features like remote data management, over-the-air updates, GST-ready compliance, and customizable receipts, it offers seamless and hassle-free billing.
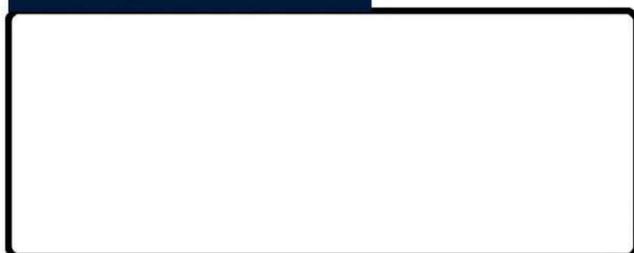

Key Features:

Remote Data Management with POS Printer Connectivity
Easily manage data through the NGX XPOS Lite mobile app and connect external POS printers effortlessly.

Over-The-Air (OTA) installation & Updates:
The system can install the latest firmware updates, security patches, remotely, eliminating the need for manual intervention or on-site technical support.

GST-Ready Compliance
Effortlessly manage your billing in line with tax requirements.

Sleek, Compact and Durable Design
A modern and portable and durable design to complement any workspace.

2-Inch and 3-Inch Thermal Paper Support
High-quality, cost-effective billing with direct thermal Technology.

Customizable Header/Footer
Personalize receipts with up to 10 lines of content, including business logos and customer names.

Ample Storage Capacity
Offers 8GB storage, expandable to 32GB.

Credit Customer Management with Reports
